ABOUT THIS MARTA TIMETABLE

- Station abbreviations in the timetables match to stations on the map. For example, "ARPT" is Airport Station.
- "First Train" and "Last Train" indicate the first and last trains that will run each day.
- Some early morning trains after the first train but before frequency has been established may not be reflected in this schedule.

HOW TO PLAN YOUR TRIP WITH THIS TIMETABLE

- To follow a rail trip you read across the page.
- Locate your station on the map.
- Then find your station (or the one closest to it) on the timetable. When a blank appears under a station, it means that a train does not pass by that station on that particular trip. Times are given only for certain stations.
- Estimate the number of minutes it will take the train to get from the nearest Time Point to your station.
- Be at the rail station a few minutes early to allow for errors in estimation.

FARES

- Cash Fare (one-way).....\$2.50
- Reduced Fare Program (one-way).....\$1.00
