

► You are invited to the More MARTA Atlanta Community Forums

More MARTA Atlanta is a partnership between MARTA and the City of Atlanta, developing a program of transit projects that will provide more service, accessibility, and reliability than ever before. Come meet with MARTA and City officials to learn more about how MARTA expansion will improve your community — plus, ask questions and give your input on the proposed project list.

More MARTA Atlanta began with your vote in 2016. Keep it going with your feedback. Join us at one of the community forums below!
