Driver Education

Drivers, please remember:

- There is NO driving, stopping, or parking in bus-only lanes! Please observe all posted signs, markings and red paint.
- Right turns are permitted from the striped, red sections of the bus-only lanes. Watch out for buses and pedestrians as you turn.
- At some intersections, new traffic signals will allow buses to go through the intersection first. Wait for the bus to pass through the intersection and follow the normal GREEN light before proceeding.

Construction Impacts:

Beginning on Monday, May 11th there will be rolling closures in bus-only lanes and the general purpose travel lanes in the following locations:

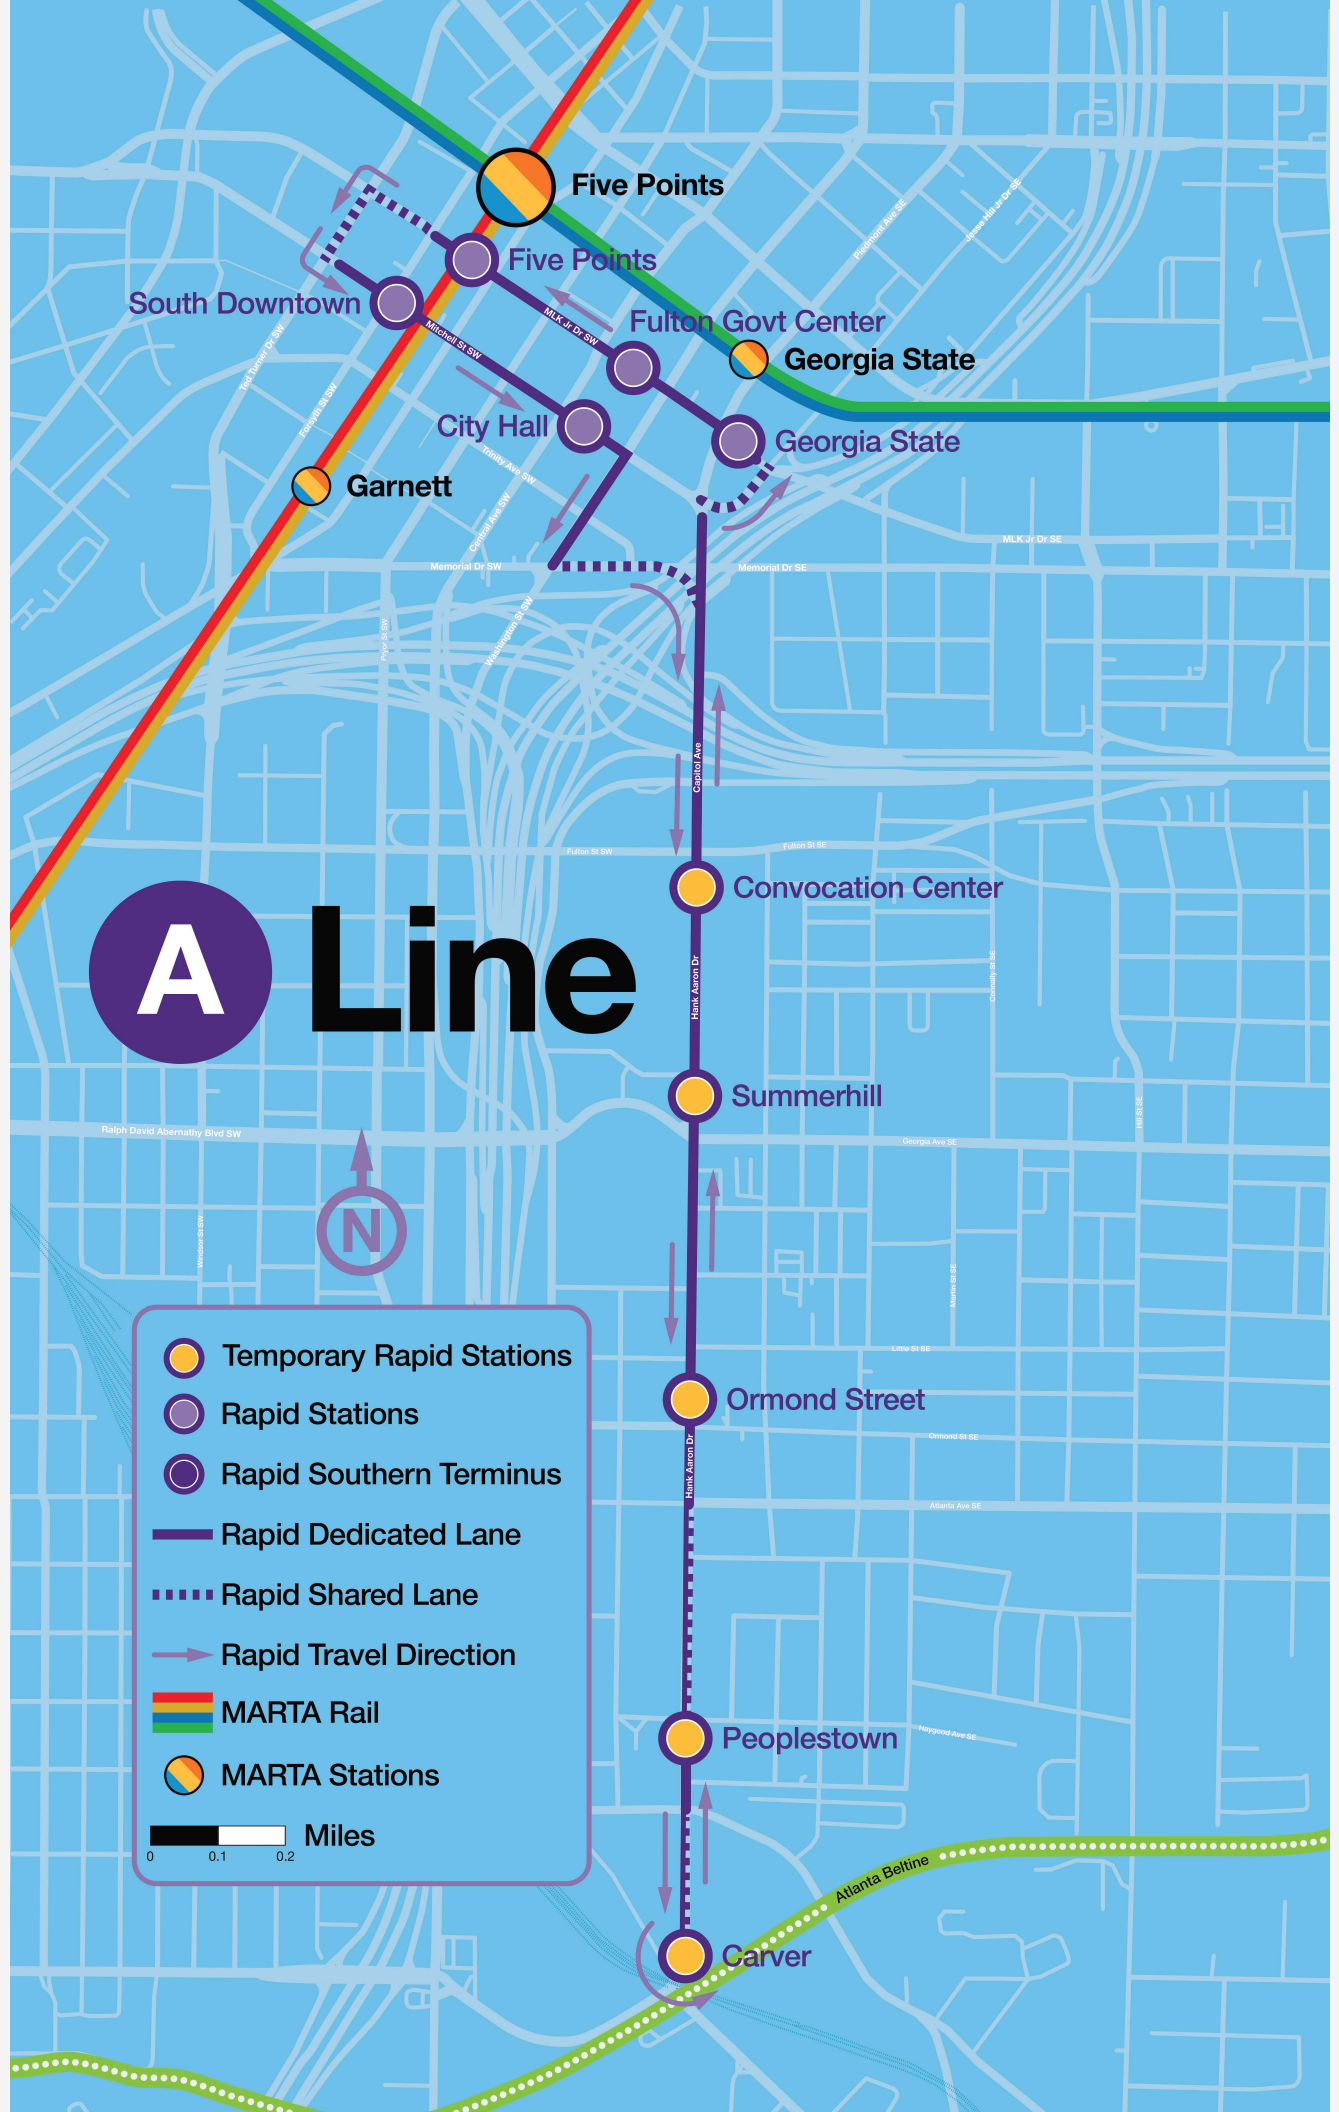

- MLK Jr. Drive: Between Jesse Hill Jr. Drive and Ted Turner Drive
- Mitchell Street: Between Ted Turner Drive and Washington Street
- Hank Aaron Drive: Between Memorial Drive and McDonough Boulevard

Please be mindful of the sudden changes in traffic and flaggers directing traffic. Plan accordingly as these rolling traffic shifts may cause some delays. **Vehicles that block construction activity will be towed at the owner's expense.**

Businesses on the BRT:

Terminal South

Terminal South is a vibrant adaptive reuse project in Peoplestown, located steps from the Atlanta BeltLine and MARTA Rapid A-Line's terminus. What began as two vacant warehouses is transforming into a community hub featuring Switchman Hall — a restaurant collective with 18 chef-driven concepts — along with locally owned

retail, creative workspace, and a tenant-funded scholarship program that invests back into the neighborhood. With its mix of food, culture, and community impact, Terminal South is set to become a gathering place for all of Atlanta.

Flower Paradises- Floral Design and Gifts

Flower Paradise proudly serves the city of Atlanta and the greater Atlanta area. We are a family-owned and operated establishment committed to offering the absolute finest floral arrangements, gifts and quality service that is professional, friendly and prompt. Our customers are of the utmost importance and our talented and

knowledgeable floral design team is completely dedicated to making your experience a pleasant one. That is why we always go the extra mile to make your floral gift perfect.

Offbeat Books

Offbeat Books is an indie bookstore in the Atlanta neighborhood of Peoplestown, specializing in speculative fiction and unconventional nonfiction. We host four different book clubs and both long- and short-term Dungeons & Dragons campaigns, and have also recently started doing Magic: The Gathering events! I semi-jokingly pitched our store as a place for unhinged women and their supporters, but it's really just a fun place for all kinds of nerdy stuff.
