Service Starts Tomorrow!

April 17, 2026

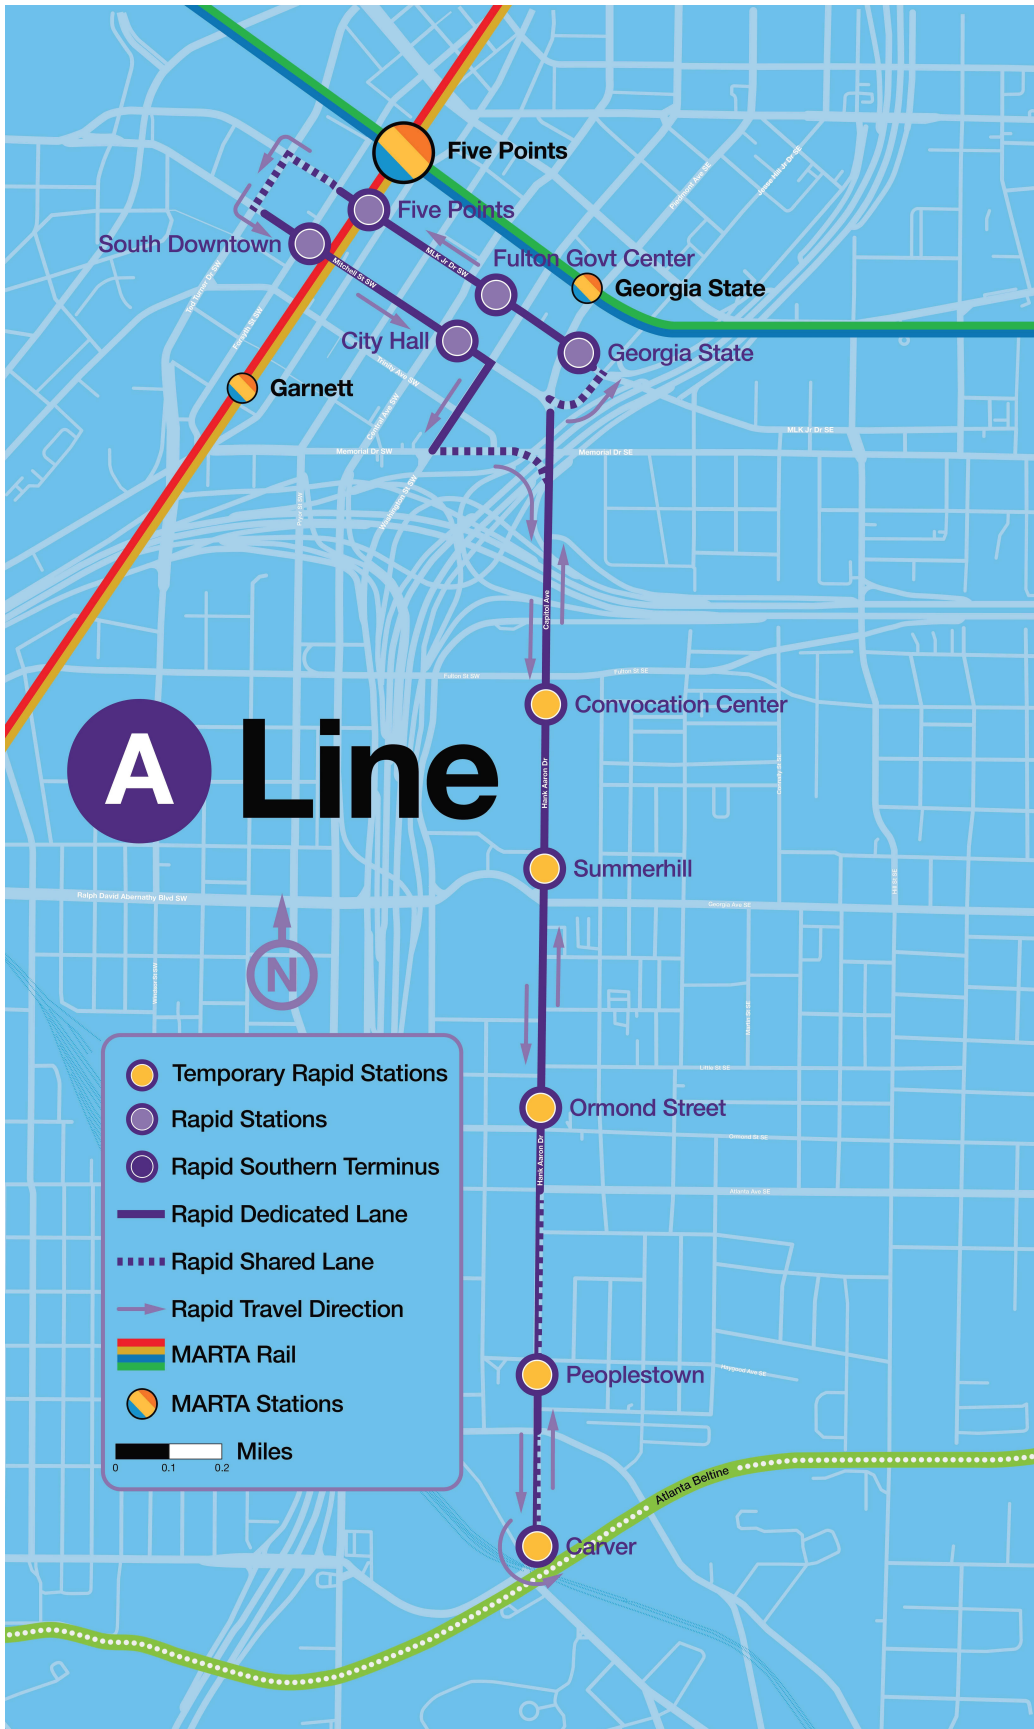

Hello,

We are excited to announce that service for *Rapid A-Line* starts tomorrow, Saturday, April 18th! Here's what you need to know:

- Platforms still under construction will have temporary stops nearby. These stops will be marked by a green "New Bus Service" sign.

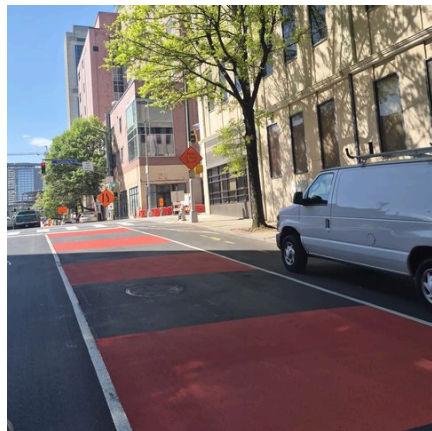

- **Drivers:** Red striping means bus-only lanes! **Don't drive or park in red lanes.** Right turns are permitted across dashed red lines, but watch for buses and pedestrians.
- Bikes will **not** be allowed for Phase 1 service.
- Fare will not be collected on the A-Line until May 2nd.

Drivers, here's what you need to know:

- There is **NO** driving, stopping, or parking in red lanes!
- Right turns are allowed across the striped red sections of the lane. Watch out for buses and pedestrians as you turn.
- At some intersections, new traffic signals will allow buses to go through the intersection first. Wait for the bus to pass through the intersection and follow the normal GREEN light before proceeding.

Having dedicated lanes for transit means faster service for MARTA customers and fewer drivers on the street. Thanks for your patience and be safe out there!

Example: Right turns allowed with caution

Example: No driving or parking in solid red bus-only lane
