Hello Everyone,

Beginning **Monday, December 1, 2025** traffic on Hank Aaron Drive will be redirected as part of a phased construction detour. Each phase will involve different traffic patterns and detours that are detailed in the link below.

Construction will begin near the **Hank Aaron Drive and McDonough Boulevard** intersection and move north toward **Ormond Street**. During each phase, **only local traffic** will be allowed inside the active construction zone. Through traffic, including **bus routes 49 and 55, will be detoured**. Motorists traveling on Hank Aaron will be directed by posted detour signage to exit the roadway, follow the designated detour route around the work zone, and re-enter Hank Aaron at the posted limits.

Please note:

- **No on-street parking on Hank Aaron Drive** will be permitted within active construction areas between Ormond Street and McDonough Boulevard.
- Vehicles blocking construction activity **will be towed at the owner's expense**.
- Be sure to follow all **posted detour and construction signs** in the area.
- Motorists are advised to expect delays, exercise caution, reduce their speed while traveling through work zones, stay alert, and watch for workers.

Construction hours are listed below, but they may change as needed. The overall schedule may also shift due to weather or local events.

Thank you for your attention and cooperation.

Full Traffic Detours: Hank Aaron Drive south of Ormond Street (Estimated 12/1/2025- 2/27/2026) Construction Hours: 7am-7pm on weekdays, 7am-6pm on weekends
