Why Are We Here This Evening?

- Provide a project update and describe what’s ahead
- Review the transit options considered for the BeltLine
- Discuss the results of the alternative evaluation
- Determine key issues and concerns we should consider as we move forward

STUDY PROCESS

Previous Studies → Identified Initial Alignments and Stations (Streetcar or Light Rail) → Scoping → Project Goals → Review Alignments, Stations, and Technology → Tonight’s Workshop

Tonight’s Workshop: Refine Alternatives Based on Workshop Results and Engineering Feasibility

Public Involvement Activities

- Provide a project update and describe what’s ahead
- Review the transit options considered for the BeltLine
- Discuss the results of the alternative evaluation
- Determine key issues and concerns we should consider as we move forward
